"Our WeatherMax Windows combined with our certified installation crews assure you the highest quality available."

Brad, Vicic  
President of  
American Remodeling

# **WE USE AMERIMAX WINDOW'S**

## **Custom Manufactured**

We custom-build your windows individually so "you don't have to rebuild your home" just to replace windows.

## **Beauty and Value Genuine**

Beauty and value are measured not only by pure aesthetics but also by superior construction that is the hallmark of all WeatherMax.

## **Energy Saving**

You'll enjoy energy savings all year-round for years to come. Some home owners tell us they save as much as 40%.

## **Maintenance Free**

Save time and money with windows that never need painting, won't warp, crack, peel or corrode.  
**GUARANTEED!**

## **Warranty**

American Remodeling's WeatherMax Windows are backed by a Lifetime warranty that sets the standard for integrity in the window industry.

## **Performance That's Guaranteed**

You are sure to find the best replacement windows with WeatherMax. American Remodeling's attention to detail, from thermal fusion welded frames and sashes, to multi-chambered dual-wall construction, to brass rollers, to double weather stripping in sash and frames, to double strength glass, ensures that your new WeatherMax Windows will perform beyond expectations.

That's why they are backed by a Lifetime Transferrable Warranty and our American Remodeling customer satisfaction guarantee.

American Remodeling has the largest selection of Vinyl Siding and Vinyl products in the Midwest. Email us for a full list!

With over 25 years in the business we know a thing or two about vinyl!!!
